

Estuary: Center for Living and Healing Arts

May 28, 2016

Dear clients, past and present,

We are writing to let you know of a new and exciting change in our practices. Holly Harris, Stacey Hurst, Rima Imburgia, Dr. Kelly Johnson, Janet Levitt, Dr. Lucia LiCavoli, Heidi McCardell-Wentworth and Dr. Shellie Willet-Kruchko have decided to move our individual practices out of Clarus Center and join forces to create an amazing new environment for your healing growth work. We are merging with clinicians from the community - Deb Beatty, Kim Irle, Rhonda LaPoint and others to make this dream come true. We are forming:

Estuary: Center for Living and Healing Arts

Like the Estuary, we are separate waters, which flow differently according to our individual tidal rhythms and clocks. We flow together with our diverse energies, strengths, knowledge and gifts, blending and forming a nourishing and rich holding environment wherein transformation, growth and healing can take place, within our clients and ourselves.

You can continue to contact and see Dr. Kelly Johnson and Janet Levitt at Clarus Center until further notice. You can continue to contact and see Deb Beatty in her DeKalb and Downers Grove Offices. However, as of July 1st Holly, Stacey, Rima, Kim, Rhonda, Lucia, Heidi and Shellie will be in our temporary space located at:

Regus Center: Temporary office space
4320 Winfield Road
Warrenville, Illinois 60555
630-836-8002 main number

A map to Regus is attached to this letter. Please **do not use your GPS** the first time you come as it will take you to the wrong location. Once you have arrived at Regus, find a parking space and come on into the lobby of the building. Take the elevator to the second floor. When you get off the elevator turn left and you will see suite 200 Regus office. Enter into this office space and let the receptionist know you are here to see your named therapist. She will place a call to us and let us know you have arrived. Have a seat in the lobby and we will come out to get you and bring you back to the office.

Once we have located and built out our permanent home we will send another mailing with all those details as to where you can find us. For now, we ask that you contact those of us at Regus by using each of our cell phones.
